

**No you aren't confused. It is time for spring flowers, but it is never too early to start getting ready for the Holiday Season.** This season, we are going to start in May! So while it will be sunny and warm outside, within the walls of Chrysler Hall, the Virginia Symphony will be recording our 12<sup>th</sup> CD, a recording of your favorite holiday classics.

As a valued member of the Virginia Symphony family, I want to invite you to be a part of this once in a lifetime recording. There are phenomenal opportunities for you to sponsor one of the pieces on the CD, receive a complimentary signed copy of the recording before the public release, or to see your name on the liner notes of the CD.
